A wide-angle photograph of the historic city of Bruges, Belgium. The image captures the Grand Place, a large square with a canal running through it. The architecture is a mix of Gothic and Flemish styles, with tall, narrow buildings featuring intricate facades and gabled roofs. A prominent church spire rises above the other buildings. The canal is filled with water, and several boats are visible, including a small white boat in the foreground. The sky is overcast, and the overall atmosphere is serene and historic.

A group of eight students are posing for a selfie in a vibrant, abstract art installation. The students, a mix of young men and women, are dressed in casual clothing like hoodies, t-shirts, and jeans. They are all smiling and giving thumbs up. The background is a large, colorful mural with abstract shapes and patterns, including a prominent circular motif with a face-like design. The lighting is bright and colorful, creating a lively and artistic atmosphere.
